Dice Subtraction

Each player needs a set of 13 counters all the same colour. Roll 2 dice, subtract the smaller number from the big number and put a counter on that number. Take turns until 1 player has made 4 in a row.

3	0	2	1	2
1	4	2	3	0
4	5	0	5	1
5	3	4	3	1
0	1	2	5	4
