

Fraction Race

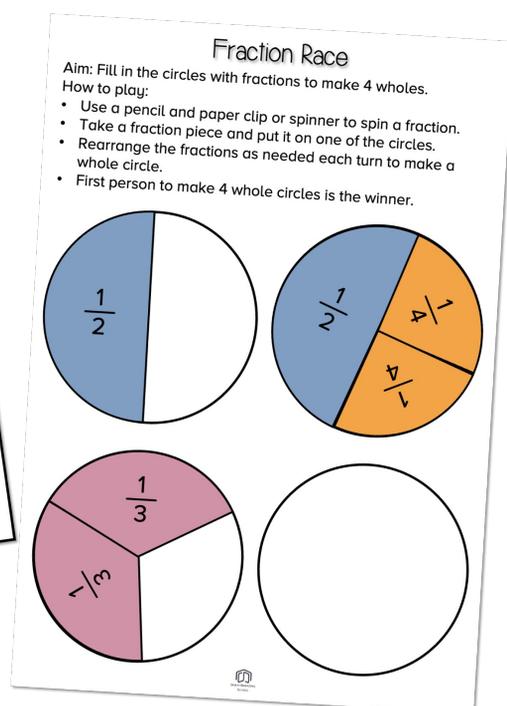

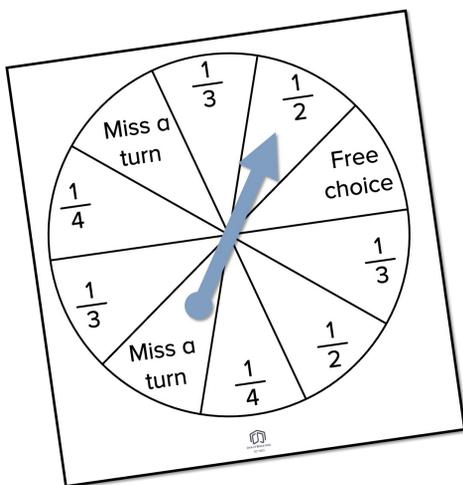

Preparation:

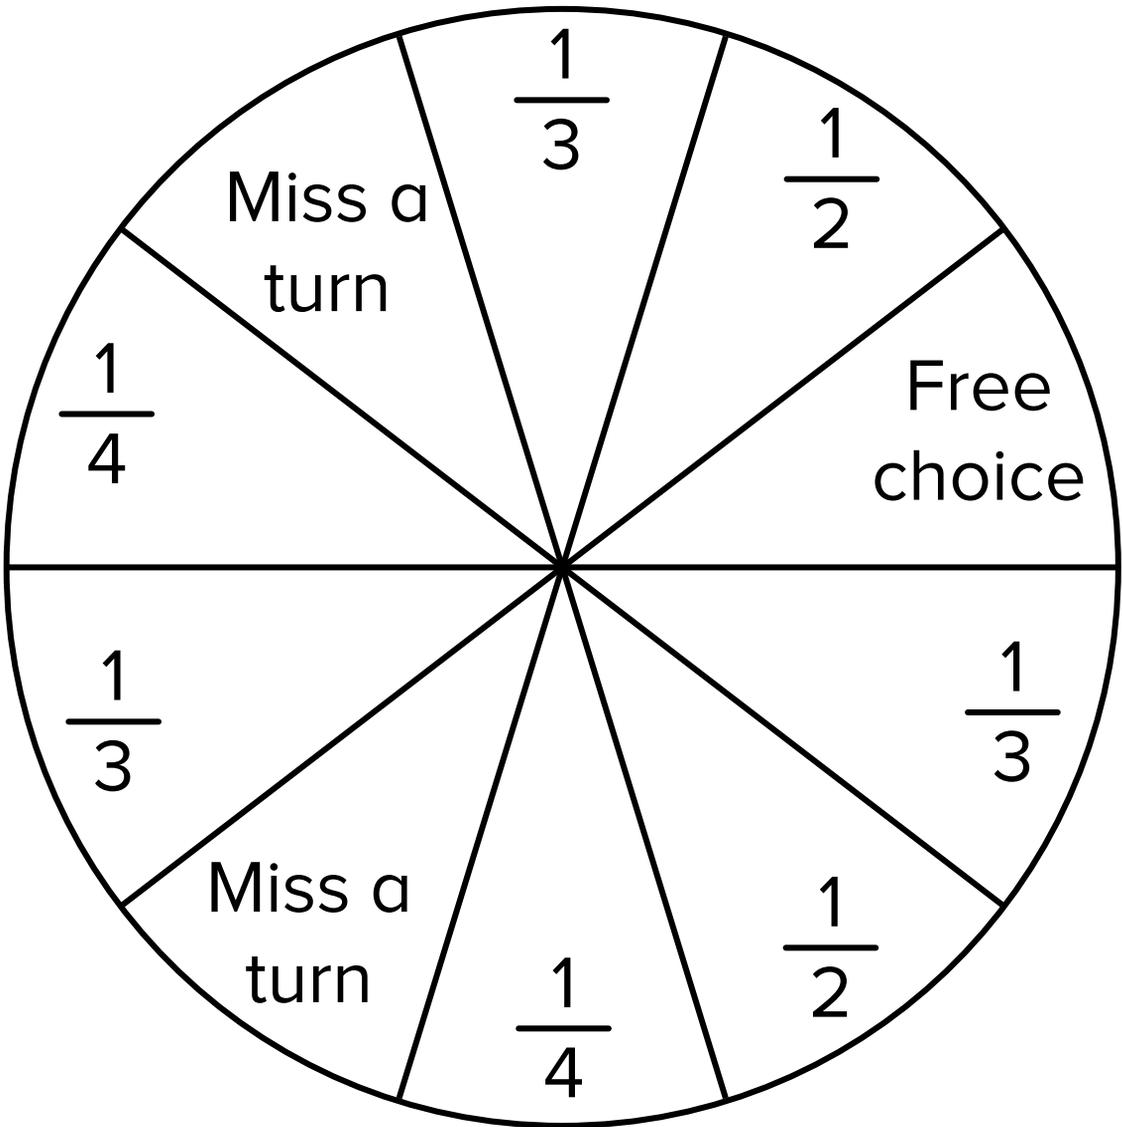

- Print pages 3 to 7 for each player playing the Fraction Race game
- Cut out and laminate the fraction pieces
- Put all the fraction pieces in a container ready to play the game
- Print out and laminate the spinner on page 2
- Put a spinner in the middle or get a pencil and paper clip to use as a spinner

Aim: Fill in the circles with fraction pieces to make 4 wholes.

How to play:

- Use a pencil and paper clip or spinner to spin a fraction.
- Take a fraction piece and put it on one of the circles.
- Rearrange the fractions as needed each turn to make a whole circle.
- First person to make 4 whole circles is the winner.
- Be careful not to overlap any fraction, if they overlap, they do not add up to a whole.

Fraction Race

Aim: Fill in the circles with fractions to make 4 wholes.
