

T H E W R I T I N G

P R O C E S S

STEP 1

Planning

Make a word map, use a story map or list some of your ideas.

STEP 2

Drafting

Write using your ideas, don't worry about details yet.

STEP 3

Revising

Make your ideas better by changing vocabulary, adding details and making sure your writing is organised.

STEP 4

Editing

*Read it again checking for spelling,
grammar and punctuation errors.*

STEP 5

Publishing

Neatly write and share your final copy.
