

Hidden Sight Words

Print pages 2 - 6 cut out and hide them around the classroom.

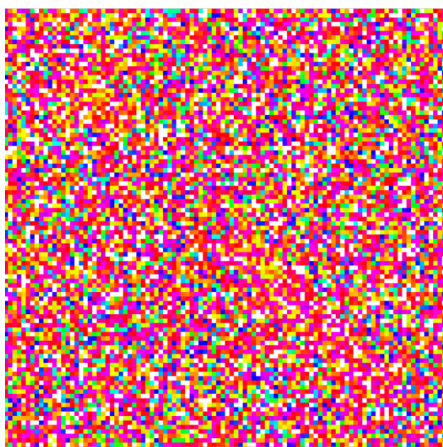

Print page 7 and hand out to students.

Give students a red piece of cellophane to use to read the hidden sight words. When the red cellophane is put in front of the red pixel box the hidden sight word will be revealed.

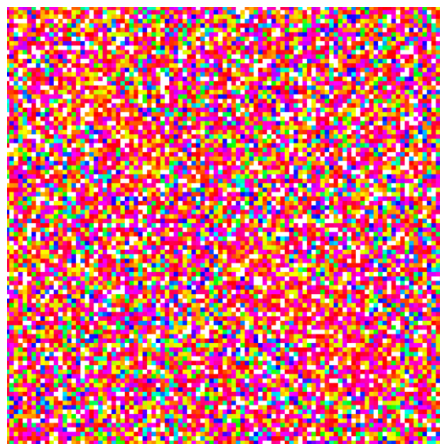

Student can then record the sight word on their page (page 7). For an extra challenge ask students to change the sight word from upper case to lower case.
