

Trash or Treasure

Trash or Treasure is a fun and interactive way for students to develop their understanding of CVC words. This hands-on word building game involves placing cards into the game board and seeing if a real or nonsense CVC word has been created.

Students record the words created during the game and circle if the word is 'trash' or 'treasure'. This resource provides an engaging and interactive way for kindergarten and Year 1 students to practice their phonics skills and improve their reading and writing abilities.
