

Letters to Home

Name: _____

Dear Families,

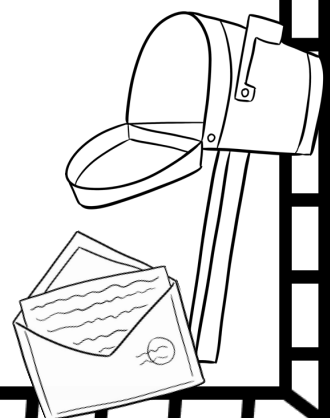

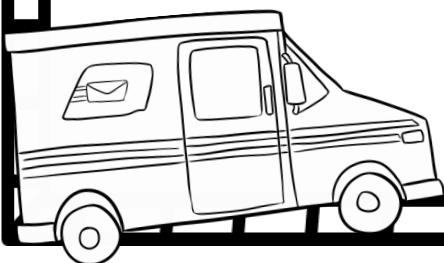

This term our class will be writing weekly letters home. This is a chance for your child to tell you about their week, what they're learning, something fun that has happened at school, or even something they liked doing with you at home on the weekend.

After reading their letter you can choose to respond by simply having a conversation with your child. Or if you would like to write a letter back, please use this book to write your message. Simply find somewhere on the page next to your child's writing or if there is no room, start a new page.

In order for your child to share their weekly letters with you, please return the book to school as soon as you can, ready for your child to write their next letter the following week.

Thank you for your support.

Kind Regards
